First Rule of History:
History doesn't repeat itself -- historians merely repeat each other.

Social Democracy rests on the assumption that it is desirable to preserve the capitalist system of private enterprise, and that the evils of this system can be sufficiently corrected by the democratic method of procedure.
-- Carl Becker

22	17	23			26		55	4

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
