There is something that is much more scarce, something finer, far, something rarer than ability. It is the ability to recognize ability.
-- Elbert Hubbard

	29	40		39	47		44	46
35		42	41	21	43	57		58

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
