We're deep into the holiday gift-giving season, as you can tell from the fact that everywhere you look, you see jolly old St. Nick urging you to purchase things, to the point where you want to slug him right in his bowl full of jelly.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
