The little mind who loves itself, will write and think with the vulgar; but the great mind will be bravely eccentric, and scorn the beaten road, from universal benevolence.
-- Oliver Goldsmith

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
