I have somewhere seen it observed, that we should make the same use of a book that the bee does of a flower: she steals sweets from it, but does not hurt it.
— Colton

	20	7			53		48	21	

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
