What shall we do to be saved? In politics, establish a constitutional
 cooperative society or world government. In economics, find working
 compromises between free enterprise and socialism.
 -- Arnold Toynbee

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
