If all our misfortunes were laid in one common heap, whence everyone must take an equal portion, most people would be contented to take their own and spare the rest.
— Socrates

		51		13	52		2	14
40	41	42	32		43	26		27
33		9	31	34		10		
	11	44	35	36			1	

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
