The doctrine of human equality reposes on this: that there is no man really clever who has not found that he is stupid.
-- Gilbert K. Chesterton

47	48		49	28			13	36
8	50				2		37	38
6	7	51	52	27		39		14

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
