*Company's Law:  
 In any organization there will always be one person who knows  
 what is going on.  
 This person must be fired.*

*The passions and desires, like the two twists of a rope, mutually mix one with the other, and twine inextricably round the heart; producing good if moderately indulged; but certain destruction, if suffered to become inordinate.*  
-- Burton

5	2	9	8	1	7	6	4	3

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
