*It is necessary for the welfare of society that genius should be
privileged to utter scolding, to blaspheme, to outrage good taste, to
pervert the youthful mind, and generally scandalize one's neighbors.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
