Once you open a can of worms, the only way to recan them is to use a larger can. Old worms never die, they just worm their way into larger cans. -- Zimurgy (Conrad Schmecker)

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
