*The question is, why are politicians so eager to be president? What is it about the job that makes it worth revealing, on national television, that you have the ethical standards of a slime-coated piece of industrial waste?*

**INSTRUCTIONS:** These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
