*The Third Law of Photography:
If you did manage to get any good shots, they will be ruined when
someone inadvertently opens the darkroom door and all of the dark leaks out.*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
