*Ordinary people know little of the time and effort it takes to learn to read.
I have been eighty years at it, and have not reached my goal.
-- Johann von Goethe*

5			10	11	8	4		12

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
