When two people are under the influence of the most violent, most
insane, most delusive, and most transient of passions, they are
required to shoot and kill, and often to do so with a cool, methodical,
and
exhausting composure.
-- George Bernard Shaw

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
