"I appreciate the fact that this draft was done in haste, but some of the sentences that you are sending out in the world to do your work for you are loitering in taverns or asleep beside the highway."
 -- Dr. Dwight Van de Vate, Professor of Philosophy,
 University of Tennessee at Knoxville

*Decision of character is one of the most important of human qualities, philosophically considered. Speculation, knowledge, is not the chief end of man; it is action.
-- Burnap*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
