In America everybody is of the opinion that he has no social superiors, since all men are equal, but he does not admit that he has no social inferiors, for, from the time of Jefferson onward, the doctrine that all men are equal applies only upwards, not downwards.
-- Bertrand Russell

No man of honor, as that word is usually understood, did ever pretend that his honor obliged him to be chaste and temperate, to pay his creditors, to be useful to his country, or to do good to mankind, to endeavor to be wise or learned, to regard his word, his promise, or his oath.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
