I can feel for her because, although I have never been an Alaskan
prostitute dancing on the bar in a spangled dress, I still get very
bored with washing and ironing and dishwashing and cooking day after
relentless day.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
