WARNING:
Reading this fortune can affect the dimensionality of your mind, change the curvature of your spine, cause the growth of hair on your palms, and make a difference in the outcome of your favorite war.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
