The natural progress of things is for liberty to yield and government to
gain ground.
-- Thomas Jefferson

		49	50	18	51	38		52
	39	6	40	17	20	22		41

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
