Take rather than give the tone to the company you are in. If you gave parts you will show them more or less upon every subject; and if you have not, you had better talk stilly upon a subject of other people's than of your own choosing.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
