We take cunning for a sinister and crooked wisdom, and certainly there is a great difference between a cunning man and a wise man, not only in point of honesty but in point of ability.
-- Bacon

	18	34	15	16	36			43
3	19		41		17	53	54	38

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
