The countenance may be rightly defined as the title page which heralds the contents of the human volume, but like other title pages, if sometimes puzzles, often misleads, and often says nothing to the purpose.
-- William Matthews

40	24		18	43	21		25	8
	42	49			26	28	27	

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
