The notion that the church, the press, and the universities should serve the state is essentially a Communist notion ... In a free society these institutions must be wholly free -- which is to say that their function is to serve as checks upon the state.

How many seconds are there in a year? If I tell you there are 3.155×10^7 , you won't even try to remember it. On the other hand, who could forget that, to within half a percent, pi seconds is a nanocentury.
