Nasrudin was carrying home a piece of liver and the recipe for liver pie. Suddenly a bird of prey swooped down and snatched the piece of meat from his hand. As the bird flew off, Nasrudin called after it, "Foolish bird! You have the liver, but what can you do with it without the recipe?"

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
