*Making files is easy under the UNIX operating system. Therefore, users tend to create numerous files using large amounts of file space. It has been said that the only standard thing about all UNIX systems is the message-of-the-day telling users to clean up their files.
-- System V.2 administrator's guide*

It is not poverty so much as pretence that harasses a ruined man -- the struggle between a proud mind and an empty purse -- the keeping up a hollow show that must soon come to an end. Have the courage to appear poor, and you disarm poverty of its sharpest sting.
-- Mrs. Jameson

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
