Just as there are three R's there are also three A's of business life. They are: Ability, Ambition, and Attitude. Ability establishes what a worker does and will bring him a paycheck. Ambition determines how much he does and will get him a raise. Attitude guarantees how well he does.

It is not work that kills men; it is worry. Work is healthy; you can hardly put more upon a man than he can bear. Worry is rust upon the blade. It is not the revolution that destroys the machinery, but the friction. Fear secretes acids, but love and trust are sweet juices.

-- Beecher
